

Current Report No. 15/2022

Date: 2022-04-05

Re: Information about the Company's estimated financial performance

Legal basis: Article 17(1) MAR – disclosure requirements – inside information

Content of the Report:

The Board of Directors of ACTION S.A. (hereinafter: “the Company”, or “the Issuer”) hereby informs that it is nearing completion of accounting and recording relevant documentation for March 2022. Accordingly, the Issuer hereby presents the preliminary information about the estimated turnover recorded by Action S.A. Capital Group for the period considered, which amounts to 208 million PLN.

The Board informs that the indicated turnover constitutes an increase of 2% as compared to the turnover recorded by the Company in the same period last year, *i.e.* in March 2021.

Additionally, the Board notes that within the period considered, the gross margin achieved by the entire Capital Group is maintained at a constant high level, estimated at approximately 7.5%.
