### **Content of the Report:**

With reference to the Current Report No. 8/2019 dated 12<sup>th</sup> March 2019, the Board of Directors of ACTION S.A. (hereinafter: “the Company”, or “the Issuer”) hereby informs that today, *i.e.* on 20<sup>th</sup> April 2022, the Supreme Administrative Court in Warsaw revoked in its entirety the earlier judgement of the Voivodship Administrative Court in Warsaw by which the Voivodship Administrative Court had dismissed the Company’s appeal against the decision issued by the Director of the Revenue Administration Chamber in Warsaw dated 20<sup>th</sup> April 2018. As the result of the Supreme Administrative Court’s decision, the case has been referred back to the Voivodship Administrative Court in Warsaw for re-examination.

The said judgement of the Supreme Administrative Court was delivered following the Company’s cassation appeal. The value of a litigation claim amounted to 3,442 thousand PLN. By virtue of law, the aforementioned amount constitutes a part of the arrangement legally approved in the already concluded restructuring proceedings (sanative proceedings) and therefore will be paid in accordance with and under conditions of the said arrangement. The amount has been covered by cash reserves and written off to costs for the financial year 2017.
