I. SUBMISSION OF AN OFFER FOR THE SALE OF SHARES THROUGH AN ENTITY THAT KEEPS A SECURITIES ACCOUNT OR AN OMNIBUS ACCOUNT FOR A SHAREHOLDER

The Sale Offer for the Shares recorded in a securities account or omnibus account shall be accepted at the entity keeping the aforementioned securities account or omnibus account, provided that such entity provides a brokerage service consisting in accepting and transferring orders to purchase or sell financial instruments referred to in Article 69(2)(1) of the Act of 29 July 2005 on Trading in Financial Instruments (“**Act on Trading**”) and on condition that the entity concerned allows its customers to submit the Sale Offers in this manner in response to the Invitation and the Shareholder submitting the Shares Sale Offer under the Invitation has concluded a contract with such entity for the provision of such services.

If the entity which keeps the securities account or the omnibus account in which the Shares are recorded does not provide brokerage services referred to in Article 69(2)(1) of the Act on Trading, the Shares Sale Offer should be submitted to another entity with which the Shareholder has signed an agreement to provide the service referred to above or at the IPOPEMA registered office.

Where a Shareholder submitting a Shares Sale Offer holds Shares registered in securities accounts or omnibus accounts kept by different entities, Sale Offers should be submitted to each of these entities and should relate to the Shares covered by the Sale Offer registered in securities accounts or omnibus accounts kept by the relevant entity.

When submitting a Sale Offer, the Shareholder is required to submit:

- (i) two forms of Sale Offer - one for the Shareholder and the account holder each, and
- (ii) an irrevocable instruction to block the Shares included in the Sale Offer, expiring on the settlement date of the acquisition of the Shares by the Company.

The Sale Offer may be submitted only by the owner of the Shares, their statutory representative or duly authorised proxy. The power of attorney should be made in writing and certified by the entity accepting the Sale Offer or in the form of a notarial deed or with a notarised signature. Another form of authentication of the signature of the Shareholder or the person acting on their behalf is also permissible, in accordance with the regulations in force in the given entity accepting Sale Offers in response to the Invitation, provided that Sale Offers may be accepted in such a way that they are accepted by the entity accepting Sale Offers by the last day of accepting Share Sale Offers specified in the Invitation.

Upon acceptance of the Shares Sale Offers, the entity which keeps the Shareholder's securities account shall block the Acquired Shares for settlement and confirm to IPOPEMA the submission of the Sale Offer on the terms and conditions set out in the detailed procedure for the execution of the sale of the Acquired Shares.

The information referred to above shall be provided to IPOPEMA by the entity accepting the Sale Offer immediately after the acceptance of the Sale Offer, but no later than by 13:00 on the day following the day on which the entity keeping the account accepted the Sale Offer.

Shareholders intending to submit Shares Sale Offers should contact the entities where they intend to submit such Sale Offers in order to confirm the place, times and manner of submission of the Sale Offers, including the possibility of submitting the Shares Sale Offers on the basis of a telephone instruction, an instruction submitted via the Internet or bearing a secure electronic signature verified with a valid qualified certificate or otherwise, in accordance with the internal regulations of such entities, subject to the deadlines set out in section 6 above.

Neither the Company nor IPOPEMA shall be liable to the Shareholders for any damage caused by the failure of the entity keeping the Shareholder's securities account to notify IPOPEMA that the Sale Offer has been submitted.

II. SHAREHOLDERS INTENDING TO SUBMIT A SALE OFFER, IF THE ENTITY WHICH KEEPS THE SECURITIES ACCOUNT OR THE OMNIBUS ACCOUNT IN WHICH THE SHARES ARE RECORDED DOES NOT PROVIDE BROKERAGE SERVICES REFERRED TO IN ARTICLE 69(2)(1) OF THE ACT ON TRADING THE SHARES SALE OFFER SHOULD DO THE FOLLOWING:

- (i) submit to the entity which keeps the securities account or the omnibus account in which the Acquired Shares are deposited an irrevocable instruction to issue a settlement instruction to the KDPW system for the transfer of the rights attached to the Shares to the Company under the terms and conditions specified in the Sale Offer. The settlement instruction will form the basis for the transfer of ownership of the Acquired Shares to the Company,
- (ii) obtain a share certificate issued in respect of the Acquired Shares which Shareholders intend to sell to the Company in response to the Invitation,
- (iii) submit to the entity with which the Shareholder has signed an agreement for the provision of brokerage services referred to in Art. 69 section 2 point 1 of the Act on Trading or to IPOPEMA a completed Sale Offer form, attached as Appendix 1 to this Invitation, in duplicate, one for the Shareholder submitting the Sale Offer and for IPOPEMA each. The Sale Offer form should be accompanied by the original share certificate issued by the entity keeping the Shareholder's securities account or omnibus account confirming the blocking of the Shares until the date of settlement for the acquisition of the Shares indicated in section 6 above.

In the event that the number of the Company's Shares indicated in the Sale Offer does not correspond to the number of Shares indicated on the accompanying share certificate, in particular is higher than the number of blocked Shares, such Sale Offer shall be deemed invalid.

In addition, a Shareholder submitting a Sale Offer should provide:

- (i) identity card or passport (natural persons);
- (ii) extract from the register relevant to the Shareholder (Shareholders who are not natural persons);

In addition, when submitting a Sales Offer to IPOPEMA a Shareholder who is not a customer of IPOPEMA will be required to enter into a contract with IPOPEMA for the acceptance and transmission of orders to purchase or sell financial instruments referred to in Article 74b(1)(1) of the Act on Trading ("**OAT Contract**").

Shareholders submitting Sale Offers by post or using electronic mail should take into account that the dispatch of documents relating to the Sale Offer submitted even before the end of the period for acceptance of Sale Offers may result in delivery of such documents to IPOPEMA after the end of the period for acceptance of Sale Offers, which will result in no effective submission of such Sale Offer. Neither the Company nor IPOPEMA accepts any liability whatsoever for the consequences of failure to deliver the correspondence relating to the Sale Offer by the date indicated in this Invitation.

In case of using the correspondence form in IPOPEMA, the Shareholder shall be obliged to:

The Form of Sale Offer, attached as Appendix 1 to this Invitation, and the template of OAT Contract, together with the relevant regulations, will be available at the registered office of IPOPEMA.

Shareholders may submit any number of Sale Offers.

One share certificate may only be used to confirm one Sale Offer.

It is acknowledged that the Share Offer is irrevocable, may not contain any reservations or conditions and is binding on the Shareholder until the settlement date for the acquisition of the Shares. Any consequences, including invalidity of the Sale Offer, resulting from an incorrect or incomplete completion of the Sale Offer or the share certificate shall be borne by the Shareholder.

Only valid and complete Sale Offers submitted in accordance with the terms and conditions set out in the Invitation will be accepted. Sale Offers received before the date of commencement of acceptance of the Sale Offers, after the date of conclusion of acceptance of the Sale Offers as well as Sale Offers completed illegibly, , submitted on the wrong form or submitted without attaching the required documents will not be accepted.
