1. the planned reduction of the Company's share capital assumes a decrease from PLN 1,410,000 to PLN 1,289,653, i.e. by PLN 120,347, through the voluntary cancellation of 1,203,470 treasury shares issued by the Company, with a nominal value of PLN 0.10 per share and a total nominal value of PLN 120,347, representing 8.54% of the Company's share capital and 8.54% of the total number of votes at the General Meeting;
2. the purpose of the planned reduction of the share capital is to implement the resolution on the cancellation of the Company's shares and to adjust the amount of the Company's share capital to the total nominal value of the shares remaining after the voluntary cancellation of treasury shares (as described in point 1 above);
