Text of the report:

The Management Board of ACTION S.A. (hereinafter also referred to as the “*Issuer*”, the “*Company*”), with reference to current report No. 21/2026 dated 8 May 2026, hereby informs that in the annual report for 2025 and the consolidated annual report for 2025 published by the Company on 28 April 2026 (as amended within the scope indicated in current report No. 21/2026 dated 8 May 2026), the Company has made a supplementary amendment to the above financial statements in the form of adding an explanatory note concerning the prior change in the notes to both of the above financial statements, with the following wording:

“Amendment to the annual report for 2025

The amendment to the annual report for 2025 concerns a change in the content and presentation of information disclosed in Note 39 to the separate financial statements and in Note 36 to the consolidated financial statements.

The reason for the amendment was an error in the presentation of data concerning the implementation of the arrangement concluded in the Company’s sanation proceedings, consisting in particular in the incorrect presentation of the amounts of repayments made by the Issuer in the period from the date the arrangement became legally binding to the balance sheet date.

The amendment consists in replacing incorrectly presented data with their correct values, in accordance with the content disclosed in current report No. 21/2026 dated 8 May 2026.

The amendment does not constitute a change in accounting policies or a change in accounting estimates, but results solely from the correction of an error in disclosures.

The amendment does not affect the financial result, assets or financial position of the Company presented in the financial statements for 2025 and concerns only the scope and accuracy of disclosures in the explanatory notes.”

Immediately after the publication of this current report, the Company will publish the amended annual report for 2025 and the amended consolidated annual report for 2025, in accordance with the requirement set out in §16(4) of the Regulation of the Minister of Finance of 6 June 2025 on current and periodic information to be provided by issuers of securities and the conditions for recognizing as equivalent information required under the laws of a non-member state.
