

**Statement on the application of corporate governance principles by ACTION S.A. in restructuring
in the financial year 2016**

**constituting an appendix to the report of the Management Board of ACTION S.A. in restructuring on
the operations of the ACTION S.A. Capital Group in 2016**

Pursuant to § 92 (3) and (4) of the Ordinance of the Minister of Finance of 19 February 2009 on current and interim information to be submitted by issuers of securities and conditions for recognizing as equivalent information required by the laws of a non-member state (Journal of Laws of 2014, item 133, as amended), the Management Board of ACTION S.A. in restructuring makes the following statement:

a) Identification of corporate governance principles:

a) Identification of corporate governance principles:

Since 1 January 2016, ACTION S.A. in restructuring has been subject to corporate governance principles "Code of Best Practice for WSE Listed Companies" adopted by way of Resolution No 26/1413/2015 of the Supervisory Board of the Warsaw Stock Exchange of 13 October 2015.

The text of the set of these principles is available on the WSE website (www.corp-gov.gpw.pl) and on the Company's website (www.action.pl).

Application of these principles is voluntary.

b) Application of corporate governance principles:

With the exception of the circumstances and explications indicated below, ACTION S.A. in restructuring applies the principles of Best Practices of WSE Listed Companies. At the same time, ACTION S.A. in restructuring explains that in the financial year 2016 (covering the period from 1 January 2016 to 31 December 2016 – hereinafter: the financial year 2016):

- with reference to Rule No I.5 of the Code of Best Practice, ACTION S.A. in restructuring states that the Company did not introduce the remuneration policy and rules of establishing it by the end of 2016. At the same time, referring to the content of the recommendations of European Commission No 2004/913/EC and 2009/385/EC, it should be indicated that the Company publishes information concerning remuneration of members of supervisory and management bodies according to the applicable laws. In these circumstances, the absence of a remuneration policy does not, in fact, infringe the above recommendations.

- with reference to Rule No I.9 of the Code of Best Practice, ACTION S.A. in restructuring states that the current composition of the Company's supervisory and management bodies does not provide a balanced participation of men and women in these bodies. ACTION S.A. in restructuring also states that it supports the application of this rule by not imposing any obstacles in its functioning. However, given the fact that membership in supervisory and management bodies results from an election, the Company does not have the resources which would ensure the functioning of the above rule without violating the rights of entities making such elections.

- with reference to Rule No I.12 of the Code of Best Practice, ACTION S.A. in restructuring states that currently the Company does not meet the requirements set forth in Article 406 (5) of the Commercial

Companies Code, i.e. its Articles of Association do not provide for a possibility to attend and exercise the right to vote at the General Meeting using electronic communication.

- with reference to Rule No II.1.9a of the Code of Best Practice, ACTION S.A. in restructuring states that resolutions and the course of General Meetings itself are obligatorily recorded in the minutes by the notary. These resolutions are published as current reports within the required deadlines and, in addition, posted on the Company's website. According to the Company, such form of informing about the course of General Meetings is sufficient to ensure full transparency of discussions and to secure the Shareholders' rights in this respect.

- in relation to Rule No II.1.14 of the Code of Best Practice, ACTION S.A. in restructuring states that there is no rule, other than a statutory rule, concerning a change of entity entitled to audit financial statements that would be applicable in the Company. Information on this subject has been published on the Company's website.

- with reference to Rule No IV.10 of the Code of Best Practice, ACTION S.A. in restructuring states that, with respect to the use of electronic communication to broadcast General Meetings and real-time bilateral communication, currently the Company does not apply this rule. The course of meetings is recorded in the form of notarised minutes and subsequently published on the Company's website (including at least the text of resolutions adopted and voting results). In addition, the Company enables the media to participate in General Meetings. It should also be outlined that in addition to the above lack of statutory requirements relating to the contents of the Articles of Association (Article 406 (5) of the Commercial Companies Code), the Company recognises the legal and technical risks resulting from application of the said rule. In particular, the attendance at the General Meeting resulting from this rule does not allow Shareholders to exercise their main right, i.e. to exercise the right to vote. In such a case it may result in misunderstanding between the scope of the expression "attendance at the General Meeting" resulting from the said regulation and expected by Shareholders, as well as further legal measures relating to the impossibility of exercising the right to vote by persons attending the General Meeting using electronic communication. On the other hand, technical conditions may seriously violate the requirement of "real-time" broadcasting of discussions and bilateral communication, which may also affect the correct flow of information and, as a result, the exercise of the Shareholders' rights taking into account Company's interests.

With reference to the "Code of Best Practice for WSE Listed Companies 2016", ACTION S.A. in restructuring submitted a statement according to which, as refers to the current application of the Best Practice, the Company applies the above rules with the exception of: recommendation VI.R.1 and VI.R.2 and detailed rules I.Z.1.16, I.Z.1.20, II.Z.8, IV.Z.2, and VI.Z.4. With respect to the rules that are not applied by ACTION S.A. in restructuring, the Company explains as follows:

- with reference to Rule No I.Z.1.16, No I.Z.1.20 and No IV.Z.2 of the Code of Best Practice 2016, ACTION S.A. in restructuring states that resolutions and the course of General Meetings itself are obligatorily recorded in minutes by the notary. These resolutions are published as current reports within the required deadlines and, in addition, posted on the Company's website. According to the Company, such form of informing about the course of General Meetings is sufficient to ensure full transparency of discussions and secure the Shareholders' rights in this respect. With respect to the use of electronic communication to broadcast General Meetings and real-time bilateral communication, currently the Company does not apply this rule. The course of meetings is recorded in the form of notarised minutes and subsequently published on the Company's website (including at least the text of resolutions adopted and voting results). In addition, the Company enables the media to participate in General Meetings. It should also be outlined that in addition to the above lack of statutory requirements relating to the contents of the Articles of Association

(Article 406 (5) of the Commercial Companies Code), the Company recognises the legal and technical risks resulting from application of the said rule. In particular, the attendance at the General Meeting resulting from this rule does not allow Shareholders to exercise their main right, i.e. to exercise the right to vote. In such a case it may result in misunderstanding between the scope of the expression "attendance at the General Meeting" resulting from the said regulation and expected by Shareholders, as well as further legal measures relating to the impossibility of exercising the right to vote by persons attending the General Meeting using electronic communication. On the other hand, technical conditions may seriously violate the requirement of "real-time" broadcasting of discussions and bilateral communication, which may also affect the correct flow of information and, as a result, exercise of the Shareholders' rights taking into account Company's interests. The Company allows for the exercise of a voting right at the General Meeting in person or through a proxy.

- with reference to Rule No II.Z.8 of the Code of Best Practice 2016, ACTION S.A. in restructuring states that the function of the Audit Committee is performed at the Company by the Supervisory Board. The Chairperson of the Supervisory Board does not meet the independence criteria described in Attachment II to European Commission Recommendation No 2005/162/EC of 15 February 2005. The Chairperson of the Supervisory Board was selected based on high-level qualifications, experience and substantive knowledge.

- with reference to Rule No VI.Z.4 and Recommendations No VI.R.1 and VI.R.2 of the Code of Best Practice, ACTION S.A. in restructuring states that the Company did not introduce a remuneration policy or the rules of establishing it. At the same time, referring to the content of the recommendations of European Commission No 2004/913/EC and 2009/385/EC, it should be indicated that the Company publishes information concerning remuneration of members of supervisory and management bodies according to the applicable laws. In the annual statements, the Company presents the remuneration of members of the Management Board and key managers and indicates the level of severance pay for dismissal from the Management Board. In these circumstances, the absence of a remuneration policy does not, in fact, infringe the above recommendations.

Despite the fact that the Company did not implement a formal remuneration policy, the rules concerning remuneration actually applied by the Company take into account the criteria indicated in Recommendation No VI.R.2.

Taking into account Recommendation No I.R.2 of the Code of Best Practice 2016, ACTION S.A. in restructuring announces that in 2016 it carried out sponsorship and charity activities. The policy of ACTION S.A. in restructuring in the discussed area is based on the assumption that the Company needs to help those in a difficult position for reasons beyond their control and to support initiatives connected with the development of sport and physical activity.

On the basis of the above guidelines, ACTION S.A. in restructuring – as regards charity activities – provides support to children from orphanages.

In terms of sponsoring activities, ACTION S.A. in restructuring supports cycling events, football events and athletics events. In 2016, ACTION S.A. in restructuring supported a professional cycling group, Activejet, and Winter Triathlon. ACTION S.A. in restructuring also supports local initiatives: provides support to the sports club FC Lesznowola (help in the construction of a football pitch, support for the club in various sports initiatives). In addition, companies of the Action Capital Group carried out sponsoring activities addressed to a boxing group, Sferis KnockOut Promotions (Sferis), and a gaming group, PRIDE (gram.pl).

c) Description of the basic characteristics of the internal control and risk management systems applied by the company and the capital group with respect to the process of preparing financial statements and consolidated financial statements

According to the binding provisions of law, financial statements are drawn up by the Issuer's Management Board. Such activities are subject to audit and assessment carried out by a registered auditor (appointed by the Supervisory Board) as well as the Supervisory Board, which draws up a report on the said subject matter and submits it to the General Meeting of the Company. The entity which audits the financial statements takes part in the General Meeting whose object is to consider and approve such statements.

In accordance with regulations applicable at the Company, at least 2 Members of the Supervisory Board meet the independence criteria. Their participation is also significant during internal control and risk management related to the process of preparing financial statements. In particular, their position is significant when the entity auditing financial statements is being selected as well as during other important activities related to members of the Management Board and related parties (see § 15 (2) (6), (11-12), (13-14) of the Articles of Association).

The departments which operate within the organisational structure of the Company have their budgets determined by the Management Board and the performance of the budget is monitored on a monthly basis. The Supervisory Board has access to this data.

The Company has implemented the following: ISO 9001:2008 quality management system, ISO 14001:2004 environmental management system, ISO 27001:2005 information security management system and ISO 28000:2007 supply chain security management system. The Company received the AEO status granted to operators that are credible and solvent, whose organisation, infrastructure and IT system security measures and security measures for goods warehousing locations or means of transport ensure the security of such locations and goods and protect them from unauthorised access.

§ 15 of the Company's Articles of Association regulates the responsibilities of the audit committee (within the meaning of the Act of 7 May 2009 on registered auditors and their council, entities entitled to provide an audit of financial statements and public supervision – Journal of Laws No 77, item 649, as amended). These responsibilities have been assigned to the Company's Supervisory Board (as long as it is composed of not more than 5 members).

In the case of subsidiaries, the above standards of internal control are met mainly through regular reporting on the activities of such entities towards the issuer as well as through the same individuals combining the functions of the members of the Company's management and subsidiaries. In this manner, the Company supervises the operations of subsidiaries on an on-going basis.

d) Shareholders holding significant blocks of shares

According to information available to the Company, the shareholders holding at least 5% of total votes at the GSM of the parent as at 31 December 2016 were:

Shareholding structure (5% and more)	Number of shares	% of shares in the share capital	Number of votes carried by the shares	% of votes

e) Identification of holders of any securities with special control rights in relation to the Company

In 2016, there were no holders of securities that give special control rights in relation to the Company.

f) Restrictions on exercising voting rights

According to the information held by the Company, in 2016 there were no restrictions on exercising voting rights, such as restrictions on exercising voting rights by holders of a specific proportion or number of votes, time-related restrictions on exercising voting rights or provisions according to which equity rights related to securities are separated from the title to securities with the participation of the Company.

g) Restrictions on transferring the title to securities

As at 31 December 2016, there were no restrictions on transferring the title to securities.

h) Description of principles concerning the appointment and dismissal of managing persons and their entitlements, in particular their right to decide on the issue or redemption of shares

Managing persons – Members of the Management Board are appointed and dismissed by the Supervisory Board. A member of the Management Board may also be dismissed by the General Meeting of the Company.

The Articles of Association do not authorise the Management Board Members to increase the share capital and the number of shares. Such actions require a resolution of the GMS.

Management Board Members are authorised to make decisions on the redemption of the Company's treasury shares on the basis of Resolution No 3 of the Extraordinary General Meeting of Shareholders of ACTION Spółka Akcyjna of 30 September 2011 on authorising the Company's Management Board to purchase the Company's treasury shares. The legal basis of this authorisation is Article 362 § 1 (8) and Article 362 § 2 of the Commercial Companies Code as well as Commission Regulation (EC) No 2273/2003 dated 22 December 2003 implementing Directive 2003/6/EC of the European Parliament and of the Council

as regards exemptions for buyback programmes and stabilisation of financial instruments (Official Journal EC L 336 of 23 December 2003).

According to the contents of the above Resolution, the Company's Management Board was authorised to purchase the maximum of 3,282,000 Company's treasury shares with the total nominal value of PLN 328,200. The total amount of funds earmarked for the purchase of treasury shares, comprising the total purchase price of treasury shares increased by the costs of the purchase thereof, was determined at an amount not exceeding PLN 30,000,000. The price at which the Company may purchase treasury shares may not be lower than the nominal price of the shares and may not exceed: the price of the last independent transaction and the highest current independent bid in transactions concluded during sessions at the Warsaw Stock Exchange. The authorisation granted to the Management Board to purchase treasury shares remains in force until 30 September 2016; however not longer than until the funds earmarked for implementation of the Programme are used up.

To date, the Company's Management Board has not used the above authorisation.

The manner of operation of the Management Board of ACTION S.A. in restructuring and its fundamental powers are described in statutory regulations and the Company's corporate documents (Articles of Association, and Management Board Regulations) which comply with statutory regulations. An excerpt from the Articles of Association is included in item k) below.

i) Description of principles of amending the Issuer Company's Articles of Association

The Issuer's Articles of Association may be amended in the manner set out in the Commercial Companies Code by the General Meeting. The Articles of Association do not introduce any rules in this scope that would differ from statutory regulations.

j) Manner of operation of the General Meeting and its fundamental powers, rights of the shareholders and manner and exercising thereof

The manner of operation of the General Meeting of ACTION S.A. in restructuring, its fundamental powers, shareholder's rights and the manner of exercising thereof are set out in statutory regulations and the Company's corporate documents (Articles of Association, and Rules of Proceedings of the General Meeting).

Shareholders' rights and the manner of exercising thereof:

Property rights attached to the Company's shares

1) The right to dividend, i.e. to participate in the Company's profit reported in financial statements, audited by a registered auditor, designated by the General Meeting to be paid to Shareholders (Article 347 of the Commercial Companies Code). The profit is distributed in proportion to the number of shares. The Articles of Association do not stipulate any privileges related to this right, which shall mean that a dividend is allocated as a fixed amount per share. Those entitled to receive the dividend for a given financial year are the Shareholders who were entitled to it on a record date, which may be specified by the Annual General Meeting to be the day of adopting the resolution on the distribution of profit or within the next three months as of that day (Article 348 of the Commercial Companies Code). When determining the record date, one should take into account regulations of KDPW (National Depository for Securities) and WSE.

The Annual General Meeting shall also set the date of dividend payout (Article 348 § 3 of the Commercial Companies Code). As a result of adopting the resolution on the distribution of profit, Shareholders acquire the right to dividend. The right to dividend becomes due on the day specified in the resolution of the General Meeting and is subject to the statute of limitations in line with general principles. The provisions of law do not specify the date on which the right to dividend expires.

2) No other right to participate in the Issuer's profit is attached to the Issuer's shares.

3) Priority rights to subscribe for new shares in proportion to the number of shares held (subscription rights), while preserving the requirements referred to in Article 433 of the Commercial Companies Code, a Shareholder may be deprived of such right in whole or in part, should the interest of the Company so require, by resolution of the General Meeting adopted by the majority of at least four fifths of the votes; the provision requiring the majority of 4/5 of the votes shall not apply where the resolution on increasing the share capital provides for the new shares to be taken up in whole by a financial institution (sub-issuer) subject to the obligation to offer the shares to Shareholders to enable them to exercise the pre-emptive right pursuant to the terms and conditions specified in the resolution, and if the resolution stipulates that new shares are to be taken up by the sub-issuer in the event that Shareholders with the pre-emptive right fail to take up some or all of the shares offered to them; Shareholders may be deprived of the pre-emptive right only if the intention to do so was announced in the agenda of the general meeting.

4) The right to participate in the Company's assets left after satisfying or securing creditors in the event of its liquidation; the Articles of Association do not specify any privileges in this respect.

5) The Company may redeem shares through purchasing them upon the Shareholder's consent (voluntary redemption of shares). The terms and conditions of as well as the rules of voluntary share redemption are specified in the resolution of the General Meeting, while the Management Board subsequently purchases and redeems the Company's treasury shares from the Shareholder, acting strictly within the limits of the authority granted thereto by the resolution, and convenes the General Meeting to adopt a resolution on the redemption of the shares purchased by the Company for redemption purposes and to adopt the resolution on decreasing the share capital (§6 Section 4 and 5 of the Articles of Association).

6) The right to dispose of the shares held.

7) The right to assign a pledge or leasehold rights to shares. In the period when shares admitted to public trading, to which a pledge or leasehold rights were assigned, are listed on securities accounts, the voting right in such shares shall be allocated to the Shareholder (Article 340 § 3 of the Commercial Companies Code).

8) The Company's bearer shares are not to be converted into registered shares. Should registered shares be issued, they may be converted into bearer shares, subject to limitations as stipulated in the Commercial

Companies Code relating to shares in return for non-cash contributions, on the Shareholder's motion by way of a resolution of the Management Board which should be adopted within 30 days from the date on which the motion to make such change was submitted by the Shareholder. The costs of such a change shall be covered by the Shareholder (§ 6 Section 3 of the Articles of Association).

9) The Issuer's Articles of Association do not provide any provisions resulting in the Issuer's obligation to call for further capital (capital call).

10) The Company shall create supplementary capital to cover its balance losses. The supplementary capital shall be accumulated by transferring at least 8% of the annual net profit, until that capital reaches at least 1/3 of the value of the share capital; further profit write-offs for the supplementary capital may be discontinued. Notwithstanding the supplementary capital, the Company may create other reserve funds (§ 19 Section 4 of the Articles of Association).

Corporate rights attached to the Company's shares

1) The right to participate in a General Meeting (Article 412 of the Commercial Companies Code) and the right to vote during a General Meeting (Article 411 § 1 of the Commercial Companies Code). Each share entitles to one vote at the General Meeting. Pursuant to Article 411³ of the Commercial Companies Code, Shareholders may vote differently under each share held.

Pursuant to Articles 412 – Article 412² of the Commercial Companies Code, a Shareholder may participate in the General Meeting and exercise the voting right in person or through a proxy. A proxy has all the rights of a Shareholder at the General Meeting unless the scope of their power of attorney provides otherwise. A proxy may appoint further proxies if the proxy so provides. A proxy may represent multiple Shareholders and each Shareholder's share entitles him to vote differently. A shareholder with shares registered on more than one security account may appoint different proxies to exercise rights under shares registered on each of these accounts.

Pursuant to Article 411³ of the Commercial Companies Code, Shareholders may vote differently under each share held.

Where necessary, the Company organises voting and vote counting with the use of electronic voting systems (electronic cards).

3) The right to request convening the Extraordinary General Meeting and to request that specific matters be included in the agenda. Pursuant to Article 400 of the Commercial Companies Code, a Shareholder or Shareholders who represent not less than one twentieth of the share capital may request that the Management Board convene the Extraordinary General Meeting and that specific matters be included in the agenda. In such a case, the date of the Extraordinary General Meeting should be announced within two weeks from the date of submitting such a request (in written or electronic form). Should the Extraordinary General Meeting fail to be convened within such timeframe, the Shareholders who have submitted the request to convene the Extraordinary General Meeting and obtained the authorisation from the registry court have the right to convene the Extraordinary General Meeting.

- 4) The right to request that specific matters be included in the agenda of the General Meeting. Pursuant to Article 401 §1 and 2 of the Commercial Companies Code, a Shareholder or Shareholders representing at least one-twentieth of the share capital may request placement of specific items on the agenda of the next General Meeting. In order to be valid, such a request must be submitted to the Management Board not later than 21 (twenty-one) days prior to the announced date of the General Meeting. The request must include a justification or a draft resolution related to the agenda item proposed. The request may be submitted electronically. If the request meets the requirements provided by law and by this announcement, the Management Board must immediately, however, not later than eighteen days prior to the announced date of the General Meeting, announce changes made to the agenda upon the request of Shareholders. The announcement is made in the manner appropriate for convening a general meeting.
- 5) The right to propose draft resolutions related to matters included or requested to be included in the agenda of the General Meeting prior to the date of the General Meeting. Pursuant to art. 401 § 4 of the Commercial Companies Code, Shareholder or Shareholders representing no less than one-twentieth of the share capital may, prior to the date of the General Meeting, submit to the Company, in a written or electronic version, draft resolutions related to the matters included in the agenda of the General Meeting or matters which are to be added to the agenda.
- 6) The Shareholder's right to submit draft resolutions concerning the items placed on the agenda during the General Meeting. Pursuant to Article 401 §5 of the Commercial Companies Code, each Shareholder may, during the General Meeting, propose draft resolutions on matters added to the agenda of the meeting.
- 7) The right to appeal against resolutions of the General Meeting pursuant to the rules specified in Articles 422-427 of the Commercial Companies Code.
- 8) The right to request electing the Supervisory Board in separate groups, pursuant to Article 385 § 3 of the Commercial Companies Code the election of the Supervisory Board on the request of Shareholders who represent at least one fifth of the share capital should be carried out by the next General Meeting by voting in separate groups.
- 9) The right to select candidates for independent members of the Supervisory Board, which has existed since the Company's shares became listed on Warsaw Stock Exchange, shall be vested in a Shareholder or a group of Shareholders representing no more than 20% of the Company's share capital present at the General Meeting (§ 14 Section 2 and subsequent Sections of the Articles of Association).
