Legal basis: Other regulations

Text of the report:

The Management Board of ACTION S.A. (hereinafter also: the Issuer, the Company), with reference to Current Report No. 52/2024 of June 19, 2024, announcing the terms of the share buyback programme under the authorisation granted in Resolution No. 14 of the Ordinary General Meeting of ACTION S.A. of 19/16/2024, executed by way of an invitation to shareholders to submit offers for the sale of the Company's shares (hereinafter: "*Invitation*"), announces that 487 offers for a total of 14,311,961 shares of the Company were submitted in response to the Invitation by the closing date for accepting offers for the sale of shares (set for July 03, 2024).

Given that the Invitation provided for a maximum number of shares that could be acquired by the Company of 1,000,000, a reduction in the shares offered for sale of 93,01% was made. Consequently, the allocation rate of the shares offered for acquisition was 6,99%.

As a result of the acceptance of the offers to sell the Company's shares, the Issuer will acquire 1,000,000 own shares at a price of PLN 35.00 per share and for a total price of PLN 35,000,000 for all these shares.

After the settlement of transactions executed under the Invitation and with the shares acquired previously, the Issuer will hold a total of 1,003,320 own shares, representing 6.0671% of the Issuer's share capital, entitling to 1,003,320 votes at the Company's General Meeting, representing 6.0671% of the total number of votes.

The Issuer explains that the above-mentioned current number of shares held by the Company and their share in the share capital and the total number of votes results from the cancellation of 1,300,000 treasury shares and the reduction of the share capital, as published in current report No. 71/2023 of 16 August 2023.
